Help patients start HARVONI® (ledipasvir 90 mg/sofosbuvir 400 mg) tablets or SOVALDI® (sofosbuvir)

Support Path Is Here To Help

It's helpful to know and understand your patient's insurance coverage for the medication prescribed. Changing circumstances may affect coverage, such as starting a new job, or enrolling in a new healthcare plan either during open enrollment or at the start of a new calendar year. That's why it is important to understand medication coverage before you begin your patient on treatment.
